Southwest Regional Medical Center and Specialists On Call Increase Emergency Patients' Access to Neurologists in Pennsylvania

Partnership Delivers Neurologists to Patients' Bedside Via 24/7/365 Teleneurology Service

Waynesburg, Pennsylvania – March 3, 2011 – Specialists On Call, Inc. (SOC), the nation's leading provider of clinical telemedicine, announced today that its ongoing expansion will include providing emergency on-call services to Southwest Regional Medical Center (SRMC) in southwestern Pennsylvania. This agreement will deliver SRMC's most critical neurology patients immediate 24/7/365 access to board certified, fellowship trained neurologists via telemedicine.

Southwest Regional Medical Center is a community-based 77 bed hospital serving Greene County and the surrounding region. The hospital has a long history of recruiting new physicians and implementing innovative services in order to deliver excellent clinical care. SOC's teleneurology service is another effort to provide the best neurologic treatment for their patients.

Cindy Cowie, SRMC's CEO, remarked, "We have always worked to provide the best healthcare available to our community and our partnership with Specialists On Call continues that tradition. Teleneurology ensures that patients suffering any neurologic emergency, including stroke, will be seen immediately by top-flight neurologists who can help them. We are thrilled to add such an effective solution to our list of services here at Southwest Regional."

Specialists On Call currently provides teleneurology services to hospitals in twelve states and has conducted more than 25,000 consultations via telemedicine since the company's inception. Their reliability and performance has earned them both a leadership position within the telemedicine industry as well as the Joint Commission's Gold Seal of Approval.

The CEO of Specialists On Call, Dr. Joe Peterson, commented, "As we expand our outreach into new states, we are excited to be able to make a difference for patients and their families across the country. We are extremely proud of what we do at Specialists On Call and we plan to continue delivering the best neurologic care to the patients who need it most. We are happy to be in Pennsylvania and look forward to working with Southwest Regional Medical Center and providing their patients with superb clinical care."
