

SPECIALISTS ON CALL™
The Leader in Clinical Telemedicine

FOR IMMEDIATE RELEASE

A. Travis Spitzer Joins Specialists On Call's Board of Directors

Westlake Village, California – June 14, 2011 – Specialists On Call, Inc. (SOC), the nation's leading clinical telemedicine provider, announced today that A. Travis Spitzer has joined its board of directors.

Mr. Spitzer is a principal in the multi-faceted boutique investment banking firm Concordia Capital Partners, LLC. In addition to providing investment and advisory services, Concordia originates and manages private placements focused on the healthcare and health services industries as well as infrastructure software and technology companies. Mr. Spitzer and his firm co-founded or was part of the initial capitalization of a number of successful companies including Corticon Technologies, XIFIN, and Ensign Group Investments. Mr. Spitzer, through his firm Concordia Capital Partners, led the recently completed round of equity financing at SOC.

Commenting on the announcement, Mr. Spitzer remarked, "Specialists On Call is a leading edge business that is redefining healthcare. Telemedicine is clearly the future of specialty clinical medicine and SOC is well positioned to lead this industry for a long time. I'm fortunate to be a part of such an opportunity and I look forward to helping them grow this company."

The CEO of Specialists On Call, Dr. Joe Peterson, added, "We are privileged to have Travis join our board of directors. He has a long track record of starting and developing successful healthcare companies and we value his commitment to Specialists On Call. His participation will be invaluable as we continue to build our business."

About Specialists On Call

Specialists On Call, Inc. (SOC), is a Joint Commission-accredited organization that is changing emergency medicine. As the leading provider of emergency telemedicine consultations, SOC gives hospitals vital 24/7/365 access to more than 45 board certified, fellowship trained academic specialists, each with a minimum of 10 years experience. With operations on both coasts, SOC provides more than 1,100 emergency consultations per month for hospitals nationwide and hospital systems such as Vanguard Health Systems, HCA, Inc. and Tenet Healthcare Corporation.
