*Global Information Technology Awards Foundation Pays Tribute to Private Telemedicine
Company that Uses Information Technology to Benefit Society*

Westlake Village, California – June 2, 2009 – Specialists On Call, Inc. (SOC), the leading private provider of specialty physician consultations via telemedical link, has been recognized as a Laureate by the Computerworld Honors Program. This year's Honorees were commemorated during the 21st Annual Laureates Medal Ceremony & Gala Awards Evening June 1st at the Andrew W. Mellon Auditorium in Washington D.C. For over two decades, Computerworld Honors has acknowledged those individuals and organizations that have used information technology to benefit society.

“Each Laureate selected for this honor understands the importance of using one's resources and technical prowess to benefit one's fellow man,” said Bob Carrigan, Chairman of the Computerworld Honors Program Chairman's Committee and President, IDG Communications.

Specialists On Call's CEO, Dr. Joe Peterson, added, “Our work at Specialists On Call is extremely gratifying. Every day we provide patients in critical need with immediate access to the specialty physicians who can help them. As a company, we are committed to the idea that time of day or location shouldn't be a significant driver of the quality of healthcare and we're proud to accept the Laureate recognition for our efforts.”

Each year, members of the Computerworld Honors Program Chairman's Committee, a group of 100 Chairman/CEO's of global technology companies, nominates individuals and organizations around the world whose visionary applications of information technology promotes positive social and economic progress.
